

PRICING & PACKAGES OVERVIEW

Package Name	Detailed Description & Inclusions	One-Time Price
Software License (Works on Laptop, Desktop & Tablet) 	• Lifetime Software License: Full unrestricted access of Medix. • Basic System Setup: We will configure your initial store details, user profiles to get you up and running. • 1 Year FREE Support & Updates: 12 months of dedicated remote technical assistance and feature upgrades. • Self-Service Product Loading: (Note: This plan does not include pre-loading your inventory. You will need to manually enter your medicines and stock data).	₹ 4,999 (GST not applicable)
Complete Store Setup + Software License (Works on Laptop, Desktop & Tablet) 	• All the features included from the previous package. • Complete Product Loading: We save you countless hours by digitally pre-loading your entire pharmacy inventory—including batch numbers, expiry dates, and pricing—directly into the database. • 1 Year FREE Support & Updates: Priority technical support and automatic software feature enhancements for your first year of operation.	₹ 7,999 (GST not applicable)

After 1 Year: Annual Maintenance Contract (AMC)

₹ 199/month OR ₹ 1999/year (~16% Discount if paid yearly)

Ensure your system stays fully optimized. Includes regular software updates, priority technical call support and backend maintenance.

Important Note: The Medix software is a lifetime license and will continue to work normally for daily billing and expiry tracking even if the AMC is not renewed. However, future software version updates and direct technical support will not be available without an active AMC subscription.
